4-H YOUTH DEVELOPMENT NEWSLETTER

February is National Read Across America Month, and I hope you'll join me in a small challenge. I challenge you to read for at least 10 minutes every day in February (there's only 28 days!).

Our annual 4-H communications contest was rescheduled from January to **Thursday, February 23**. I hope you'll consider participating in this year's event. We'll be having both speech and demonstration events the same evening. Please let us know if you have questions.

Applications for **4-H Camp 2023** are available now! Mark your calendar for **July 17 - 21** and the theme of Time Warp. More information is included inside.

As you renew your ag farm tags this spring, please consider making the voluntary \$10 donation. These funds are shared between 4-H, FFA, and the KY Proud Program and more than 2/3^{rds} of the money comes right back here to Lincoln County youth. We greatly appreciate your continued support of this outstanding program.

Our office is open Monday – Friday from 8 am – 4:30 pm and closed for lunch from 12- 1 pm. Please visit www.lincoln4h.org to check out all the most recent 4-H information.

Use your phone's camera to enroll:

BASIC BUDGET BITES

Unit pricing

What is unit pricing? The price tag on the shelf includes a lot of helpful information. Learn what the numbers mean.

- **Retail price:** This is the price you pay for each item.
- **Unit price:** This tells you how much an item costs per pound, ounce, quart, etc. It can be very useful when comparing two items.

This image shows two price tags on a shelf. Based on the unit price, you can see that the large container is a better buy because you get more for your money.

How is the unit price found?
Total Price ÷ Size = Unit Price

SMART TIPS

Fruit and vegetable peels contain many nutrients

Eating fruits and vegetables are important for a healthy diet. But, what about the peel? Many times, we just throw it away. Turns out, you might want to rethink that.

Most of the time, eating produce with a peel intact can give you higher amounts of vitamins, minerals, and fiber. Apples and potatoes are good examples. Eating the peel of a kiwi fruit gives you 50% more fiber.

While eating fruits and vegetables with the peel does provide more nutrients, it is always important to think about food safety. Make sure you wash any fruit or vegetable really well to get rid of any dirt or germs.

PARENT CORNER

Winter is a great time for families

The winter months are a great time to catch up on much needed family time. Yes, it's cold. No, you cannot get outdoors as much. But inside your home you can create meaningful family experiences and lots of wonderful memories.

Family time promotes positive emotional health in children. Experts say it leads to a greater likelihood that they will avoid risky behaviors such as drug use. They will also have a lower risk for depression.

Here are some ideas to think about doing with your children:

- **Story time:** Let your imagination run wild as you make up stories together. Make up a silly story to tell your children or involve them in the creation of a silly story.
- **Kitchen time:** Spend family time cooking in the kitchen. Whip up something sweet to share for an after-meal treat. Have your children help you prepare food items. You will be teaching them valuable math and life skills.
- **Dance party:** Dancing to music is a great way to improve everyone's mood and get your hearts pumping. Let each have a turn selecting a song. Keep music at the right age level for young children.
- **Scavenger hunt:** Give children a list of objects to find and bring back to you. It can be as long or short as you wish. Start by making a list of items found around your home. Then add items that may require finding a "buried treasure."

COOKING WITH KIDS

Wally Wildcat Superhero Muffins

- 2 cups blueberries
- 1 cup sugar, divided
- 1 1/2 cups all-purpose flour
- 1 cup whole-wheat flour
- 2 1/2 teaspoons baking powder
- 1 teaspoon salt
- 2 eggs
- 1/2 cup vegetable oil
- 1 cup 1% milk
- 1 1/2 teaspoons vanilla extract
- Cooking spray

1. Wash hands with warm water and soap, scrubbing for at least 20 seconds.
2. Preheat the oven to 350 degrees F. Spray an 18-cup muffin tin with cooking spray or insert paper liners in muffin cups.
3. Place 1 cup of the blueberries and 1 tablespoon sugar in a small saucepan and simmer over

medium heat, mashing berries and stirring often, for about 6 minutes until mixture is thickened and reduced to about a 1/4 cup. Cool.

4. In a large mixing bowl, stir together the remaining sugar, all-purpose flour, whole-wheat flour, baking powder, and salt.
5. Make a well in the center of the dry ingredients. Add eggs, oil, milk, and vanilla. Whisk together the liquid ingredients. Use a rubber spatula to fold together the liquid and dry ingredients, just until moistened. Fold in the remaining blueberries.
6. Divide batter equally among the muffin cups, filling about two-thirds full.
7. Spoon approximately 1/2 teaspoon of cooked berry mixture onto each cup of batter. Use a skewer

or dinner knife to gently swirl the berry topping into the batter.

8. Bake 17 to 19 minutes until muffin tops are golden. Cool for several minutes before transferring to a cooling rack.
9. Store muffins in an airtight container for up to four days or freeze up to three months.

Makes: 18 servings
Serving size: 1 muffin

RECIPE

Eggroll in a Bowl

- 1 tablespoon oil
- 1 pound ground turkey or pork
- 2 teaspoons garlic powder
- 1 teaspoon ground ginger
- 1/4 cup low-sodium soy sauce
- 1 bag coleslaw mix (with carrots)
- 1 whole egg

1. Wash hands with warm water and soap, scrubbing for at least 20 seconds.
2. Heat oil in a large skillet over medium heat.
3. Add the ground meat to the skillet and break it up until it is

cooked through and has reached an internal temperature of 165 degrees F on a food thermometer. Drain any fat from the meat.

4. Add garlic, ginger, and soy sauce to the meat, and stir to combine.
5. Add coleslaw mix to the cooked meat. Cook until vegetables are tender.
6. Push mixture to the edge of the skillet to make a hole in the middle. Crack the egg in the open area and scramble it until it is cooked through.
7. Stir all ingredients together and serve.

8. Store leftovers in the refrigerator within 2 hours.

Makes 6 servings
